### EN:

1. Open your browser.
2. Go to:
3. The app will try to auto-connect to ProPresenter.

**ES:**

1. Abre tu navegador.
2. Visita:
3. La app intentará conectarse automáticamente a ProPresenter.

## ? STEP 3: Verify Connection

### Verificar Conexión

- ProPresenter Audience View
- App preview showing the same image

**EN:**

- If connected successfully, you'll see the current **Audience Preview** image in your browser.
- If not, try **refreshing** or wait a few seconds — updates happen at intervals.

**ES:**

- Si la conexión es exitosa, verás la imagen actual del **Audience Preview** en tu navegador.
- Si no se muestra, intenta **recargar** o espera unos segundos — la vista previa se actualiza con intervalos.
